**CHLOE**

Chloe is a somewhat shy but adorable female, about 3 to 4 years old. She has pretty green eyes and a funny little ear that bends forward. She takes her time to warm up to strangers and might prefer to go to a quieter home. Won't you come by and meet her today?

### KAS...BY THE NUMBERS

People often ask us... Where does the money come from to operate your shelter? How do you keep it going? Primarily the money comes from fundraising events, such as raffles and yard sales, and from our kind donors, through condo sponsorships, direct donations, special appeals, and more recently, town appropriations. Below we've included a breakdown of expenses and revenues for the year 2014, in an effort to raise awareness of how important your support is to us. As you can see, 88% of our expenditures are for the direct costs of sheltering and caring for the cats (our guests) in our care, and direct public support (individual, business, and town) constitutes 61% of our revenue. As costs continue to rise, we anticipate more effort will be needed to increase the revenues to keep pace. And as always, we are grateful to you all for your continued support of Kingdom Animal Shelter!

**OUR MISSION STATEMENT** The purpose of the Kingdom Animal Shelter is to facilitate the placement of stray and unwanted animals and pets in desirable homes; to establish and maintain an animal shelter and associated procedures that promote health, care and handling; and to prevent overpopulation and the prevention of cruelty to animals. The animals in our care, our guests, are never euthanized merely because we lack space or because the animal's stay with us has exceeded a predefined amount of time.
